19-CV-7944 (AT) (RWL)

**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

The October 18, 2013 application for an order of retention by the Mid-Hudson Forensic Psychiatric Center references a psychological examination report that was submitted in support of the application. (Dkt. 28, Ex. 1 at 17.) That examination report does not appear in the record along with the others. To be clear, that report would be different from the one submitted in support of the October 17, 2014 application for an order of retention by Mid-Hudson (Dkt. 28, Ex. 1 at 20), which does appear in the record (Dkt. 18, Ex. S). By May 20, 2021, when the parties have been directed to file other supplementary materials, they shall also file the report submitted in support of the October 18, 2013 application for an order of retention or, if they are unable to locate that report, file a representation so stating.

SO ORDERED.

A handwritten signature in black ink, appearing to be "RWL", written over a horizontal line.
